Licensed Assisted Living

These private suites are designed for the mobile senior who requires extra assistance with activities for daily living. Chapel services, meals, cards, dominoes, exercise and other activities are all conveniently located adjacent to this area. Choosing this area will stretch your retirement dollars.

Our Sugar Maple Assisted Living Suites are licensed by the state of Indiana. This allows us to do medication administration and other needed medical services for our residents. Another advantage to being licensed is that some long-term care insurances will pay for part of a stay in a licensed facility only.
